5 August 1949

MEMORANDUM FOR THE DIRECTOR OF INTELLIGENCE, USAF

SUBJECT: Anti-Friction Bearings

REFERENCE: Telephone conversation between Major McCord, USAF,
and [REDACTED] CIA, at 1045, Friday, 5 August 1949

25X1A9A

1. It would be very much appreciated if the Air Force would arrange to have an anti-friction bearing technician (who is cleared through secret) meet with other technicians as early as possible on Wednesday, 10 August, at CIA, Room 2157, Temporary H Building.

25X1B4D

2. CIA contact on this is [REDACTED]
